

MOVE-OUT details

THANK YOU for making Aspen Heights Starkville home for another year!

As you already know your current lease ends July 31, 2018 at 12PM. However, because you have opted to renew your home, you will not be required to move out. No boxes, no cleaning, no moving for you - just sit back and enjoy your summer!

New residents will be moving in on August 12. So get excited for new roommates, new neighbors, and a great new year at Aspen Heights Starkville!

----- **IF YOU'RE GETTING A NEW ROOMMATE** -----

OK, so there is a *little* cleaning in your future if you're getting a new roommate, but it's in good nature to make sure any shared space is in great condition to welcome them home. The Aspen Heights team will be completing units walks **July 31 - August 12**. Please have your common area tidy by July 31. If we note that your common area is not up to our cleaning standards we will have to bring in professionals and you will be charged for the associated charges.
