Whether you bring them with you or buy them after you get a feel for the place, here are a few things to help make your house a home.

Bedroom

- Linens (full-size if unit is furnished)

Due to variance in floor plans, window dimensions are not available prior to move-in.

Bathroom

- Shower curtain & rod
- Towels
- Toilet paper
- Toiletries
- Rubber duckie

Kitchen

- Utensils
- Small appliances
(coffee maker, toaster, etc. **microwave is included**)
- Dishes, bowls, and glassware
- Pots and pans

Electronics

- Gaming console
(or hang out in the community game room)
- Computer (we have a great study lounge too!)

Cleaning

- Cleaning supplies
- Oh, the list goes on and on...

Remember to check with your roommate(s) to determine what items they are planning on bringing to avoid duplication in the common areas of your home.
